

class descriptions

cardio & combination

Fit Body Boxing Bootcamp – Train like a fighter. Full body conditioning workout focusing on various boxing and kickboxing techniques combined with high intensity weight bearing exercises.

HIIT (High Intensity Interval Training) – Take your fitness and fat loss to a new level, with short intervals at maximum intensity followed by longer intervals at a moderate intensity.

METCON – Metabolic Conditioning Training is a thirty minute circuit based workout designed to elevate metabolism and improve conditioning and performance.

VBarre® – A fusion of ballet, Pilates and resistance training, blending dynamic movement with calorie-blasting cardio, to target those trouble zones.

Zumba® – A fusion of Latin, hip-hop and international music/dance themes that create an exciting and effective fitness workout!!! Burn calories and work your core while doing basic and easy to follow moves.

Zumba® Express – A high energy class, with simple moves. Great for all levels, beginners to seasoned Zumba enthusiasts.

yoga & pilates

Astanga Vinyasa Yoga – In Ashtanga Vinyasa Yoga, students will practice the primary series that is both demanding and meditative. This class is challenging and fast paced.

Early Morning Yoga – Self guided yoga practice, with the assistance of the teacher. Work at your own pace and then learn the Ashtanga Vinyasa sequence. All levels welcome.

Pilates Mat – An exercise series performed on the mat, based on the regimen designed by Joseph Pilates. The class is designed to increase core strength and improve flexibility.

Pilates Plus – A combination of Pilates exercises using the barre, mats and various props. Class will focus on strengthening and lengthening of the muscles using core strength, stability and balance.

Power Yoga – Is an “all levels” class that incorporates strength, flexibility, balance and cardio, while building physical and mental stamina.

Yoga Basics – A slower paced yoga class with an emphasis on fundamental alignment, breathing and safety.

Yoga for Mind, Body & Spirit – Come and enjoy a slow and relaxing yoga class to renew, replenish and unwind. This candlelight class is followed by an introduction to meditation. All levels welcome.

pure strength

Abs & Stretch – Start class with a full body stretch. Then work on strengthening and toning your midsection, with challenging moves. Class is only 30 minutes.

Butts & Guts – Target those problem areas with some tough love and challenging moves.

Core & More – A full body workout, using various techniques and equipment, to strengthen and tone your entire body.

Just Weights! – An all over toning class which increases strength, flexibility and muscular definition. Varying types of equipment may be used in this class to target all the major muscle groups

Sculpt & Strength Intervals – An all over toning class with intervals of cardio, creating a total body workout.

Strength & Conditioning Circuit – A high intensity workout that will challenge your strength, endurance and agility, in a circuit format.

spin®

Spin® – A 60 minute, group cycling class with a variety of rides; strength, endurance, interval and cardio training. All levels welcome in this musically driven class.

Spin® Express – A shortened version of Spin. A 45 minute class.

30/20/10 – 30 minutes of intense spin, followed by 20 minutes of toning and 10 minutes of core work and stretching.

Super Spin® Express – 30 minutes of intense spin. All levels welcome.
